

automotiveaward parts & components 2024

Dear Sir or Madam,

We cordially invite you to submit innovative developments of plastic parts and components for vehicle construction from your company or from your customers or suppliers to the 2024 AutomotiveAward parts & components. The award categories are again this year:

Body Interior
Body Exterior
Power Train
New Mobility

Chassis Unit/Structural Component
Electronical/Optical Part
Enabler Technology

Additionally three special awards will be given across categories. The **Grand Award** goes to the parts & components with the highest overall score, the **Grand Innovation Award** is given to the part that is most often classified as highly innovative by our jury. Since 2021, the **Sustainability Award** recognizes a significantly improved overall ecological performance of components.

Detailed information about your submission and the form can be found at www.automotiveaward.de. The submission fee remains unchanged, Euro 950 for the first part and Euro 800 for each additional part.

Deadline for submission is **January 31, 2024** and we kindly ask you to send the component for evaluation to Blankenhain by February 29, 2024.

The evaluation of all submitted parts will take place in spring 2024. The jury represents all areas of plastics technology and vehicle construction and will evaluate each part according to defined criterias. Representatives of all submitted parts & components will be invited to the jury meeting in order to present key features of their submissions and answer jury questions.

The awards will be presented on **June 28, 2024** at the **Hotel Kameha Grand Bonn**. The Award Night program gives you plenty of time to network with decision makers from the automotive industry and system suppliers. Please register for the Award Night using the attached form by May 27, 2024.

We are looking forward to an exciting competition and thank you already today for your participation!

With kind regards

Bernard Rzepka
