## Privacy Policy

The personal data you provide us with the registration form will be required to process your application and participation. If required to perform the contract, your personal information will be provided to public authorities to comply with regulatory requirements (such as tax authorities), to internal entities to perform individual business processes (e.g., accounting, marketing) and to external partners (e.g., shipping companies). A transfer of your personal data to third parties for purposes other than those mentioned does not occur.

You can revoke your consent to SPE Central Europe for the future at any time by sending a written notification (by post or e-mail, see addresses on the front page) to SPE Central Europe. In this case your personal data will be deleted immediately, unless legal reasons prevent this.

You can always inform yourself about the data stored about your person. Further information on data protection and handling of personal data can be found in the privacy policy on our website ([www.spe-ce.de](http://www.spe-ce.de)).

Your registration for the Award Night can only be accepted and processed if you agree to the privacy policy.

*Changes are reserved!*

## Consent to photographs

Name: \_\_\_\_\_ Name: \_\_\_\_\_

SPE Central Europe takes photos during the Award Night 2024. These photos are used for documentation and public relations. The publication should take place indefinitely.

It should be noted that photos, if published on the Internet, can be accessed by anyone. It can then not be ruled out that such persons continue to use the photos or pass them on to other persons.

This declaration of consent is valid from the date of the signature until its revocation.

I agree

- ☐ with the publication on the SPE Central Europe website and in printed publications of SPE Central Europe.
- ☐ with the publication on the site of the photographer for the purpose of ordering photos for documentation, advertising and marketing of excellent companies.
- ☐ with distribution to specialized media of the plastics industry for publication in printed and digital media.
